

MARCHING BAND FAQ

What is Marching Band?

- Marching Band is an activity that combines music and movement to create performances that are both entertaining and educational. The Mighty Marching Chargers is recognized as one of the most popular and beloved student activities in the CHS community.

Who can participate in Marching Band?

- Any student signed up for a band class at CHS is eligible to participate. Students not enrolled in a band class have the opportunity to participate as a member of the Color Guard only.

Is Marching Band all year?

- No. Marching Band begins a few weeks before school starts with our summer camps. The season usually ends in early November, typically around the end of the 1st quarter.

When does Marching Band start?

- The first day of marching band is different for certain instruments/sections. Below are the tentative summer start dates for each group
 - ✓ Color Guard – Kick-Off Camp in June (end of current school year), Summer Camp – Sat, 7/27
 - ✓ Percussion – Kick-Off Camp in June (end of current school year), Summer Camp – Mon, 7/29
 - ✓ All other 9th graders/New Marchers – June 3-6 (new marcher training), Summer Camp – Mon, 7/29

- Following your first day of summer camp, Marching Band camp continues Mon-Fri until August 16th.
- These camp dates serve as the backbone of our season and our students' success. It is important for families to coordinate summer travel and vacation plans outside of these dates. Please contact us directly with any questions about this.

Where does the Marching Band perform?

- We typically perform at all Varsity home football games, two away games, and 4-5 marching band competitions each season. Varsity football games usually occur on Friday nights and our competition performances begin in late September and occur on Saturdays.

What are the benefits of doing marching band? (Student testimonials!)

- "Starting High School with marching band helped me feel more comfortable beginning the school year. Joining this group helped me feel like part of the CHS community before the 1st day of school and I was more comfortable finding my classes in a new school."
 - Teresa Nicholson, 11th grade (attended Rocky Run MS)
- "The experience of making music together creates close relationships with friends while also getting to perform a lot throughout the season!"
 - Kyle Cobb, 12th grade (attended Franklin MS)
- "As someone who didn't join band until high school, marching band not only helped me improve my music/performance skills, but I was able to form great friendships. These connections not only made marching band enjoyable, but helped make school more fun."
 - Sam Cha, 11th grade (joined band during High School)
- "Marching Band allowed me to meet new people and feel more connected to the community. It is also a lot of fun!"
