## Charms confusing?

You are not alone. The easiest way to use Charms is to start on our website [www.chantillyband.org](http://www.chantillyband.org)

Click on the **Charms** tab on the top menu:

\*If you need to log into your **student's account**, click on the [charmsoffice.com](http://charmsoffice.com) link which will take you directly to the input student password page. (no need to enter our school code, FCPSChantillyHSMusic)

\*If you are looking to view our **Charms Calendar** and/or volunteer at one of our events, click on the [Charms Calendar](#) link. Find the event, and click on the Volunteer icon (looks like a hand with colored fingers, or a turkey)

\*For more login information and other "how tos", click to view the [Charms Parent Handout](#).
